

WIRED-UP FOR

YOUTH

## Rearview Mirror Reminder

Following the evening (or morning) service at your church, have the youth wait in the parking lot for people to leave. As church members go to their cars, the teens can wash the windshields and/or windows of their cars. As the teens wash the windows, have them hand church members a card reminding them to pray for the 10/40 Window (similar to the one below). The card can have a rubber band attached to it so that it can be hung from the rearview mirror of a car.

As you enjoy your clean windows, keep in mind the thousands of people in the 10/40 Window, the area between 10 degrees and 40 degrees north that includes most of Northern Africa, the Middle East, and Asia, who have never heard the Gospel.  
Hang this reminder on your rearview mirror.  
Please remember to pray for the 10/40 Window!
