

Nazarene Missions  
INTERNATIONAL

TO: District NMI Presidents/Councils / Conventions  
FR: Jennifer Brown, Global NMI President  
SUBJECT: NMI Convention Greetings 2012  
DATE: January 29, 2012

Greetings in the name of our Risen and Reigning King, Jesus Christ! May His grace, peace and love be extended to you all as you strive to live a Spirit filled life.

Thank you for partnering with NMI. Thank you for your faithfulness and effectiveness in mobilizing the churches on your district in missions. No doubt we will continue to face challenges and disappointments this year but always remember that the God who has called us is still in charge and He will enable us.

As you come together in this very strategic event, may you sense the overwhelming presence of the Holy Spirit as He leads and guides. May you develop that bond, that special tie that binds our hearts together in Christian love and fellowship. Even though I am not able to be present at your Convention, I want to assure you of my prayers and best wishes. I trust that you will have a very rich and productive meeting.

We can rejoice in the fact that we belong to a growing church – a total of 1,474 local churches who started NMI ministries last year were added globally. Let us seek every opportunity to be a part of this growth this year. May we witness a mighty movement of the Holy Spirit and a vigorous renewal of passion for missions!

As you embark on a new year, be mindful of the following qualities that followers want in a leader:

1. To see character
2. Observe competence and consistency
3. Witness compassion
4. Sense commitment & courage
5. Feel connections & confidence

6. Spot convictions

- John C Maxwell

Finally, I believe in you. Continue to give 100% support to the WEF and other approved offerings Take advantage of every opportunity that comes your way to reach one soul for Christ and use your God given talents and abilities to make Christ like Disciples in the nations!

Saved to Serve
