1. By the General Secretary's office as having sent all pastors' reports for their district and,
2. By the Stewardship Ministries office as having sent at least 100 percent of their WEF goal.

If you believe that your district has given at least 100 percent of your WEF goal, but your district is not included here, please contact your district secretary to insure that all of your district's pastors' reports have been sent to the General Secretary.

NMI celebrates your achievement with joy! We express profound gratitude for all who have given at least 100 percent of your WEF goal and appreciate all who have given generously, even if you did not
