

Searching for Africa World Areas

Each year, Nazarene children learn about a world region. This year, that emphasis is on the Africa Region. Nazarene missionaries have been in Africa for many years, and many of the Nazarenes around the world live on this region.

Africa is the second largest continent in the world. It contains 54 world areas; the Church of the Nazarene has work in 37. Below is a word search with names from some of those 37 world areas in Africa. Can you find them all?
