

# Have a Heart for Alabaster

We had the Alabaster Offering on NMI night with a party for Jesus, emphasizing how giving money for buildings is a gift to Him. Our talented NMI monthly emphasis crew has elaborate plans highlighting the theme "Have a Heart for Alabaster".

Heart-shaped cookies will be sold, and the money added to the Alabaster offering. If all goes as planned, someone will impersonate the biblical Mary on ways one can continue to give love offerings for Jesus.

Doris Anderson  
Retired Missionary

**Editor's Note:** To promote the offering, encourage the people in your church (all ages) to take photos of heart-shaped items. They can make the items or find the heart shapes naturally. Either post the photos on a bulletin board, or incorporate them into an Alabaster PowerPoint presentation. Children and youth (who have not submitted photos) could be the judges to additionally involve them in the event.
