

‘One Can Never Out-Give God’

I love my Church, the Church of the Nazarene. It has helped me grow in the Lord.

One thing that stands out is its teaching in giving—tithes, offerings, thanksgiving, two rallies each for NMI, Sunday School, NYI, Alabaster, Easter Offering, Vacation Bible School, Bible Society, and beyond.

One can never out-give God. But sometimes the “Beyond” becomes so big that some people start to worry and fail to see the many opportunities God has given them to overcome these worries.

In one of our meetings, we helped people look at these opportunities. God has given us talents and skills. People were encouraged to use them to raise extra funds for God’s work. Teachers took extra tuition classes. Nurses, paramedical staff, clerks, supervisors, and drivers worked overtime. People were encouraged to give 10 percent of their time, talent, and skills to God. This worked, and God blessed us.
