

# Thank Offering - Thank You Cards

To promote your upcoming Thanksgiving Offering, make small cards that say “Thank you” on the front. On the back, leave space for people to write a short note of thanks to someone.

Set up a table with a “mailbox” where the thank you notes can be dropped. Behind the mailbox, put up a large sign that displays the date of your Thank Offering and says “Send a Thank You note to someone special and come prepared to give in the Thank Offering on (date of your offering).” Get the help of your church teens and children to help deliver the “Thank You” notes to church people.
