Work & Witness Trips that Any Church Can Do

We've had small churches ask how they can get involved in Work & Witness (W&W) without going overseas. Here are some suggestions:

- One Heart—Many Hands projects that are domestic—our district team to the 2013 project before General Assembly was sponsored by our district Nazarene Youth International.
- Trips to work at the Fawn Grove Compassion Center in Fawn Grove, Maryland—we've done this the last two years, taking a team and a truckload of Crisis Care Kits from our district NMI convention.
- Trips to the Cherokee Indian reservation in North Carolina and Sun Valley Indian School in Arizona—our W&W coordinator showed video of all these trips and shared churches how could get involved.
- Disaster Relief—our disaster relief leader shared the kinds of training relief workers need. We have sponsored disaster relief training at the district campground last summer and want to provide additional training.
