## LOCKER REMINDER

"A Call to Prayer Pledge Card"

I pledge to pray each week for Nazarene missionaries and the mission work around the world.

Give the pledge card to each teen and provide markers, glitter, glue, stickers, etc. Encourage the teens to decorate the card and make it reflect their tastes. Tell the teens to put the card up in their locker; so whenever they see the card, they will remember to pray for missions and Nazarene missionaries. (This could be especially beneficial for Nazarene World Week of Prayer or Million Hours of Prayer this quarter.)
