

Sharing God's love with the Lost to help fulfill the Great Commission!

***EXPERIENCE THE
HARVEST
ON A
JESUS FILM
MINISTRY TRIP***

Testimony of trip member—

"We felt a spirit of togetherness with the people. A ceremonial meal was prepared for us by the prominent religious group in the community where we were working. It was truly a blessing to be welcomed and loved by this group. One of the men, a senior official in the town, hugged each of the members of the team. We really felt we were being examples of Christ for these people and they saw Him through us."

Ministry Trips Involve:

- Seeing a JESUS Film showing in a field location
- Helping JESUS Film Teams by providing needed equipment
- Transporting the JESUS Film equipment
- Assisting the team in set up at a show location
- Praying with new believers
