

## Why serve through JESUS Film Ministry Trips?

- ◆ You will experience the power of the gospel as people are introduced to Christ through this simple and highly effective tool.
- ◆ You will meet and interact with JESUS Film team leadership on the field.
- ◆ You will deliver equipment that is lighter, brighter, and more advanced than what the teams currently have.
- ◆ You may deliver other valuable resource tools (such as the EvangeCube) which improves discipleship follow-up and helps plant New Mission Churches.
- ◆ Witness and be a part of the JESUS Film Ministry on the field.

"I tell you, open your eyes  
and look at the fields! They  
are ripe for harvest."

## What is a Ministry Trip?

- ◆ Your church or group raises the project funds for new equipment and your travel and on-field expenses. *(Expenses based on destination.)*
- ◆ You select your destination from a list provided by the JESUS Film field leadership which identifies where trips are needed. The list is available from the JESUS Film Harvest Partners office.
- ◆ After you send the equipment project funds, we will purchase the necessary equipment and send it to you.
- ◆ Your group of 7 to 10 people will travel to the field and deliver the equipment to the ministry team.
- ◆ You will receive on-field cultural orientation and participate in JESUS Film ministry.
- ◆ Your ministry could include handing out invitations, helping set up and tear down the equipment, and praying during showings. *(It will not include addressing the crowd during showings.)*
- ◆ Additional ministry opportunities could include EvangeCube outreach, VBS, compassionate ministries, etc.
- ◆ You will witness God's miraculous harvest!
