PRAYERS AND PRAISES

Darin Kucey

PRAISE: Missionary Darin Kucey recently had emergency surgery in Canada. We praise the Lord that Darin was just given a clean bill of health. Darin; his wife, Tonya; and their three children are thankful for the Lord’s touch. The Kuceys serve in Haiti, and the family is eagerly anticipating his return. Please continue to pray for Darin, that he will have safe travel to Haiti and that his recovery will be rapid, and for the family as they help him during recuperation.

Extraordinary Growth

PRAISE: A four-person church plant in Candeias, Brazil, began meeting in a garage just two years ago. It has now grown to 500 members and moved to its own building with room to continue adding new people to its church family. Pastor Ricardo Carvalho said that within a month, “The garage was too small for us. My son would stand at the gate waiting for people to come in. We had no sign saying who we were; it was the Holy Spirit acting in a supernatural and unexplainable way.” Praise the Lord for the Holy Spirit’s intervention and willing servants.

Areas of Unrest

REQUEST: A number of areas of the world are experiencing unrest for a variety of reasons. As you hear or read of such places, please pray that they will experience God’s peace, and that the Church will be used to bring about that peace.
