**Workers for the Harvest**

## **BEREAVEMENT**

### **Family of a CAA Father**

Please pray for an international Nazarene worker in a creative access area as she makes her way to the U.S.A. to attend her father's funeral. The father passed away on August 22 after battling cancer for the past one and a half years. Since Tuesday's PML, we received the following testimony about the worker's father and his final days on earth. When asked about sending flowers for the memorial service, the worker responded, *"I believe that I speak for the family in saying that we would prefer for the gift to be used for the furtherance of the Great Commission, expanding the work around the globe. That is the finest tribute that can be given to a man who was a wonderful, caring father and who entered the Kingdom by the tremendous grace of our merciful, ever-loving, ever-patient Father. We are grateful that two days before his departure from this earth, he made the most important decision of his life."*

**Thanks for praying.**
